CHARLES OPPENHEIMER

Entrepreneur, Investor, and
the grandson of J. Robert
Oppenheimer

BIOGRAPHY

Charles Oppenheimer has been in software business his entire career – all CRM/ Communications and customer software of different types. He's an alumni of some great companies that have shaped his professional life: Scopus, Siebel, Salesforce and Twilio. In addition to being an employee, he has started multiple companies, and has been self employed/entrepreneur for about 1/2 my career.
